

## The Marina Newsletter

**Your Monthly Update is Here - You do not want to miss this !!**

Hope all is well! We are excited about our new way to keep you up to date with what is happening at the Marina and also upcoming events. Even though it is March we have been very busy getting ready for the upcoming boating season. Below are some highlights of projects and promotions that are underway...

[www.catawbalanding.com](http://www.catawbalanding.com)

### Strange - That is a Dell Chromebook

Along with a 10% discount the first 10 new dockers to sign up for either a 35' or 40' floating dock will receive a Dell Chromebook as a welcome gift!

New Dockers renting any 30' or less size dock will receive a 20% discount!!

Any current docker who refers a new docker will receive a 10% credit to their account equal to the new docker's discount.

### Remember These Things...

They are now a thing of the past for our 200 series dockers. If you dock in the 200's you will no longer need an adapter. All boxes have been updated to 30 amp marine receptacles, new breakers, and the dock lights are now on at night!

### Oh... And this too...

For all the dockers in the 100's the water lines are being replaced. With the new lines we want this to be a fading memory!

### New Wiring for the Hoist & Shop

The old wiring to the hoist and shop has been replaced and new breaker box is in place. This was a much needed repair for a smooth operation of the hoist.

---

### A Much Needed Piece of Equipment

---

This is our new Terex Tractor. Complete with bucket and forks.

The Terex Tractor also has an extendable excavator. It will get the job done.

**One Last Thing...**

**WiFi Upgrade !!!!**
